Subject: Would you be interested in submitting a talk or tutorial for BSDCan 2025?

Hi,

I won't take up more of your time than necessary I hope.

As you may be aware, BSDCan 2025 is planned for mid June (Jun 11 - 14).

The submission period runs until February 12 inclusive, and we in the program committee would very much like to see more OpenBSD submissions.

Would you be interested in submitting a proposal?

The call for papers page is at <https://www.bsdcan.org/2025/papers.html> with what I hope is good information and, significantly, a link to the submission system.

If you have any questions or concerns, please let me know and I will do my best to answer and advise.

I hope to hear back from you and to see you in Ottawa in June!

All the best,  
Peter

PS If you become aware there are relevant people I have for one reason or other not poked about submitting and you feel should be reminded of that possibility, please feel free to forward this!

^^
